So Serious

Marta Matsuo

I've been
Kidnapped

Although they
call me their
"distinguished
guest", they
have shown me
no respect.
(not at least
they've given
me some
games to pass
the time)

They said if the
government doesn't
set their men free,
I will be idled up
with this building

because,
unfortunately,
my father is
the Secretary
of Homeland
Security

..Liam

Bath-
room

But, they watch me closely
all twenty-four hours of
the day

This man is in
charge of
watching me today
(they take turns)
a man named
Liam.

...Who you can't
joke around with.

Although
the rain
is small...

Don't tell
me you
didn't get
it...

I
won't
satisfy
you.

Don't you want
to come in?

You're
pretty cute

Don't you
wanna
have
sex?

And it seems
that we both
feel bored.

What
are you
talking
about?

It's probably
because the
government
didn't take any
precautions

The atmosphere of
the room has changed
to one dark with
tension

It's day
dark.

Joe

I will personally
see them up.

The

HAL

ALL-
1000 &

...the
question we
didn't know
yesterday.

That is

We have
just one
line left!

Then

I have
the feeling
that he
reluctant
just now.

I...

...really
don't
know.

"The world
will be
peaceful
with it."

I

O...

I feel like

But this
idea has
filled me
with
fear.

The
army..

is here to
rescue me.
